

## STAFF LEAVE

### AIM

To offer a range of leave options for reasons of recreation, injury/illness or to meet personal, community and family commitments.

### IMPLEMENTATION

#### Leadership will:

- Develop and regularly review this policy.
- Ensure cover and relief staff are organised when leave is approved.
- Ensure the leave conditions detailed below are communicated to staff.

#### Team Leaders will:

- Ensure educators are aware of this policy and it is implemented in their rooms.

#### Educators will:

- Understand leave accruals are based on number of hours worked per week and may differ from the below based on their contract.
- Abide by the following Leave conditions:

#### Annual Leave

Permanent full-time employees are entitled to a period of 20 days paid leave. After three months employment with the Centre, employees are entitled to five days annual leave; after six months, ten days; after 12 months, 20 days. This accrues progressively during the year of service according to ordinary hours of work & accumulates from year to year.

#### To make arrangements for Annual Leave, Forbes and the employee should consider the following:

- Leave requests must be submitted at least four weeks in advance, where possible.
- Leave is to be taken at a time that will be mutually convenient to both the employee and Forbes. Periods of leave will be negotiated and approved by the Director. Staff should not plan leave to coincide with the annual care and education planning day unless negotiated with the Director.
- All employees will be required to take Annual Leave of approximately seven working days over the Christmas/holiday period while Forbes is closed for business. All employees will receive at least two months notice of the period of closure.
- Annual Leave will be exclusive of public holidays.
- Payment of Annual Leave in lieu of taking Annual Leave can be made under the following conditions as per industrial requirements:
  - Staff must have four weeks of annual leave remaining after the cash out.
  - A maximum of two weeks Annual Leave can be paid out in a 12-month period.

#### For more information, the Child Care (South Australia) Award & NES prescribes in detail the following:

- Calculation of service including continuous service.
- Pro-rata entitlements for part-time employees.
- Time of taking leave.
- Leave allowed before the due date.
- Proportion of leave on termination.
- Close Down.
- Arrangements to be made in circumstances where leave is unable to be mutually negotiated.

#### Leave Loading

A 17.5% leave loading applies to all annual leave payments as per the award.

#### Personal/carers leave

For each year of service, a permanent full-time employee is entitled to ten days of paid personal/carers leave.

Staff can take paid personal/carers leave due to:

- Illness or injury
- To support immediate family due to illness or injury
- An unexpected emergency

Personal/carers leave accruals will not be paid out on termination of employment.

If you are unable to attend work, you must contact the Centre before or at the commencement time of your shift, or if outside of business hours, contact the Director or Assistant Director. Notification needs to be in

advance, of at least one hour before the shift begins. In the case of an early shift, it is recommended that staff notify the next appropriately qualified person due to start.

If you have not notified that the absence is likely to extend beyond one day you must also notify of your absence the next day.

If the nature or sudden onset of the illness or the circumstances make it impractical to give the notice before the period begins, notice should be given no later than 24 hours after the period begins.

In cases where personal/carers leave has been exhausted, the Director may consider granting additional unpaid leave. The Director may grant unpaid leave or the use of other leave entitlements.

Staff are entitled to two days of unpaid carers leave for each occasion when a member of the immediate family is unwell or injured.

The Director has the authority to instruct a staff member to be assessed by a medical practitioner if they seem unwell and therefore unfit to actively perform their duties, or if they appear to pose a health hazard to others. The employee may either seek medical opinion to the contrary or depart the Centre and use available leave entitlements.

### **Medical Certificates**

A medical certificate signed by your doctor is required for the following absences due to illness or injury:

- Absence of two consecutive days or longer.
- Absences of one day or longer on either side of a public holiday/ weekend/ RDO/ Leave at the discretion of the Director.
- All absences of one day or longer where all of your accumulated entitlement has previously been used.

### **Rostered Days Off (RDOs)**

Full time staff who are rostered for a 40 hour week accrue 0.4 hours for every eight hour shift. RDO hours are not accrued for annual leave, public holidays, sick leave, leave without pay and long service leave.

RDOs need to be negotiated with the Director and employees may have a maximum of three RDOs at one time accrued.

### **Time Off in Lieu (TOIL)**

Staff members will be at times required to work additional hours outside their normal hours of work. On these occasions, they will have the option of accruing TOIL or being paid at the relevant overtime rate of pay.

Further clarification can be accessed by Fairwork or by accessing the NES/ relevant award.

TOIL will be calculated as one hour of overtime equals one hour off in lieu and may be accrued as follows:

- The Director may accumulate a maximum of 20 hours TOIL, and
- All other employees may accumulate a maximum of eight hours TOIL.

The Director may request to take part or the whole of accumulated time off and be granted this within two calendar months. Upon request, all other employees must be granted time off as organised with Leadership.

Team Leaders and Director will identify opportunities for employees (and themselves) to take TOIL, particularly after they have accumulated the maximum allowed. The Director will at all times make every attempt to ensure employees have less than eight hours accrued and 20 hours for themselves.

### **Long Service Leave**

Long Service Leave is leave with pay granted to employees after a prescribed period of continuous service. In South Australia, staff qualify for long service leave of 13 weeks after ten years of continuous service. Leave should be taken at a mutually convenient time and as soon as practicable once the leave is due. A further 1.3 weeks is granted for each completed year after ten years of service.

Staff who leave or are terminated after seven complete years are entitled to the monetary equivalent of 1.3 weeks leave for each year completed.

All conditions relating to Long Service Leave are provided in the Long Service Leave Act of 1987.

All conditions relating to Long Service Leave are provided in the Long Service Leave Act of 1987.

Leave is not granted when Jury Service falls on days or at times when the employee is not normally rostered to work. Under the NES, the employer is only required to pay the employee for the first ten days of absence. Employees called for Jury Service must inform Forbes as soon as they receive a request for service and provide details of their notifications.
